**PROTECT YOUR VACATION! We strongly encourage the purchase of trip insurance!**

We also encourage all divers to have [Dan Master Insurance](#) Plans

## **IMPORTANT INFORMATION – PLEASE REMEMBER TO TAKE THIS WITH YOU!**

### **PRE-TRIP PLANNING**

**Bonaire Entry Requirements:** All US and Canadian citizens entering Bonaire (regardless of age) must have a valid passport and a return or ongoing ticket. No visas are required for US or Canadian citizens. For other nationalities, it is your responsibility to ensure your own visa requirements, and no refunds will be awarded for customers denied access for lack of a proper visa or passport.

**Packing Considerations:** Casual attire is the norm; evening clothes are casual to casual nice. We'll provide you with body soap at the Resort, but please **bring your own shampoo, conditioner and hair dryer**. Beach towels and all linens are provided except wash cloths. The linen provisioning and laundry service on Bonaire follows European customs, which do not include the use of **wash cloths**. So be sure to bring your own if you can not do without! Please also bring your own **travel alarm clock**.

We also encourage all guests to bring their own reusable water bottles. We know you will want to keep well hydrated during your stay and will therefore be drinking a great deal of water. Bonaire's tap water is one of the purest and safest water sources in the world to drink, so there is no reason to purchase bottled water. Your efforts will also help us keep Bonaire's landfill clear of unnecessary waste that cannot be recycled.

Your apartment has a safety deposit box, your kitchen is fully equipped with a microwave, dishwasher, refrigerator and stove and your living area has a TV and DVD player. So you may want to bring along your favorite DVD's or CD's.

Because of the sharp coral at the water's edge at many of the off-property shore dive sites, booties and open heel fins are recommended for shore diving. Full foot fins are adequate for boat diving & shore diving on property. Bonaire Dive & Adventures rents both types of fins, but they do NOT rent booties!

In the unlikely event you arrive on Bonaire without your luggage, please make sure you have packed your "trip essentials" in your carry on bag, such as your **C-Card for diving or Referral Papers for Dive Courses**, a pair of shorts, bathing suit, dive mask, medicine, sunglasses or anything you consider necessary to begin enjoying your stay from the moment you arrive. **American Eagle, Tiara Air and Dutch Antillean Express** passengers should keep in mind that the overhead compartments are very small and most carry on luggage will need to be checked curb side before boarding the plane.

The grocery stores on Bonaire carry a wide variety of products but the majority will not be brands or "versions" recognized by North Americans. Example: You may be able to find Soy Milk, but you may or may not be able to find fat free, vanilla Soy Milk. If you have any products you **must have** you may want to consider bringing them with you. There are NO restrictions placed on bringing fruits and vegetables into Bonaire.

**Lithium Batteries:** Spare lithium batteries not installed in devices will no longer be allowed in checked baggage. Spare lithium batteries may be packed in carry-on baggage and lithium batteries installed in a device may be packed in either checked or carry-on, as long as the battery is installed in the device. **Please Note:** The island does not have a proper toxic waste disposal system. Yearly more than 100,000 used batteries from visitors end up on our landfill. That is more than 6,000 pounds of heavy metals and toxins. Corroding batteries leak toxic chemicals into the soil and, ultimately, the sea. Please take your used batteries home with you where they can be recycled.

**Vaccinations:** No vaccinations or preventative medications are recommended for travel to Bonaire. Yellow fever and malaria are not a problem here. The [Center for Disease Control](#) in the US offers updates and advisories for travelers.

## **ARRIVING ON BONAIRE**

**Arriving at the Airport & Picking Up Your Rental Vehicle:** If you have reserved a rental vehicle with Total Car Rental, Caribe Rent A Car or AB Car Rental, you will need to take a short shuttle to the Agency's Rental Center. Budget Car Rental's office is still located on Airport grounds, on the far left side of the airport parking lot. We HIGHLY RECOMMEND that upon arrival, you "divide and conquer," sending the person or persons who will be authorized to drive the rental vehicle to complete the contract work, while the others remain and wait for the luggage. This will save you considerable time. Please make sure you have your Rental Car voucher with you. The optional CDW (Collision Damage Waiver) Insurance, which ranges from \$10 - \$12 per day depending on the rental agency, is highly recommended as most credit card insurance coverage does not cover truck rentals. Note: Insurance deductibles range from \$300 - \$500 depending on the rental agency. Be sure to familiarize yourself with the "fine print." Charges ranging from \$5.00 - \$15.00 per day are also assessed for additional drivers. Insurance protection only applies when the primary renter and authorized additional drivers are driving the vehicle. There is no requirement to purchase a local license.

**Taxi's:** If you have not rented a vehicle, Taxi rides will run approximately \$11 from the airport to the Resort.

**Continental Arrivals at Den Laman:** If you have NOT reserved the room for the previous evening, there will be a sign on the Front Door of the Resort posting your name and offering suggestions for a comfortable seating area until the Front Office opens at 8:00 a.m. If at that time your assigned room happens to have been vacant the previous day, you will have access to your room prior to the 2:00 p.m. check-in time.

**All Other Arrivals at Den Laman:** The front office staff will be available to welcome all guests arriving between 8:00 a.m. and 5:00 p.m., and will return to the Resort to welcome passengers arriving on the American Eagle evening flights. **We ask that American Eagle passengers please proceed directly to Den Laman as soon as you have collected your rental vehicle as the staff will have returned to the resort to reopen the Front Office specifically to meet you!** Please be sure we have your accurate flight information to ensure we are there to meet you! A credit card will be needed upon check in at the Resort as a deposit against incidental charges incurred during the stay. If a guest does not have a credit card then a US \$200 cash deposit per person will be required. No personal checks will be accepted on island.

**Apartment Amenities:** Your apartment has a safety deposit box, your kitchen is fully equipped with a microwave, dishwasher, full size refrigerator and stove. Your living area has a TV and DVD player so you may want to bring along your favorite DVD's or CD's.

**Food Service:** Breakfast is served daily from 7:30 am - 10:00 am at **Eddy's Restaurant** which is a mere minutes stroll away on the **Sand Dollar** property immediately adjacent to Den Laman. Eddy's also serves lunch daily from 11:00 am – 2:00 pm and “light snacks” from 3:00 am – 6:00 pm. The **Sunset Bar & Grill** at Den Laman is open Tuesday - Sunday from 5:00 pm - 10:00 pm for dinner. There are also several other restaurants are within easy walking distance as well as a small convenience store and ice cream parlor in the adjacent Sand Dollar mini-mall with an excellent wine and liquor store across the street at the newly opened BonaireMart.

**Dive Registration, Orientation & Marine Park Fee:** Bonaire Dive & Adventure, which is located on property, opens at 8:30 am. Divers must register at the dive center, and bring their (1) dive certification card, (2) diving vouchers, (3) credit card for a security deposit, and (4) US\$25 cash for the required purchase of a Bonaire Marine Park Tag. The Bonaire Marine Park requires all visiting divers to participate in a short orientation session on their first morning of diving. **At Bonaire Dive & Adventure, this orientation is held at 9:30 a.m.** An alternate orientation can be arranged for 2:00 p.m. upon request. After the orientation, divers must do a self-guided familiarization dive on Bari Reef in front of the Resort before leaving for off property shore diving or boat diving. The purpose of the dive is to recheck buoyancy and to check your dive equipment while still within safe distance of the dive staff and facilities.

**Divemaster Rum Punch Party:** Monday evenings Bonaire Dive & Adventure hosts a Rum Punch Party from 5:00 - 6:00 PM at the dive center. This is a great opportunity to socialize with the staff!

**Bonaire Dive & Adventure Pending Dive Dock Maintenance:** Bonaire Dive & Adventure will commence routine maintenance work on the dive pier from 15 August - 15 October 2008. During this time the pier will not be available for boat docking, however the remaining services and facilities including tank availability, gear and camera rinse tanks, showers, and easy dive ladder access to the water on the Den Laman side of the pier will be at the diver's disposal throughout this period. During the renovation, the dive boats will depart from the nearby Harbour Village Marina with free shuttle service provided for the 2 minute drive to the alternate docks.

**Gear Storage & Gear Considerations:** Gear storage is available free of charge. The dive shop will assign your storage space. The Gear room and tanks for shore diving are accessible from 8:30 AM – 9:00 PM. **It is important to remember these hours if you plan to do a night or a dawn dive, so you can secure your tanks in advance!** External lockers can be used to store gear and tanks outside of these hours. Because of the sharp coral at the water's edge booties and open heel fins are necessary for off property shore diving along the iron coast. Full foot fins are adequate for boat diving & shore diving on property. **We respectfully ask that you do not wear damp wet suits to your room.**

**Non-Diver Use of the Marine Park:** All non-divers who use the waters of the BNMP including snorkelers, windsurfers, kayakers, sport fishermen, kite boarders, etc., will be charged a Nature Fee of \$10.00 per year. All persons who pay the Nature Fee (both divers and other users) and show their tag along with their printed receipt will receive complimentary admission to Washington-Slagbaai National Park throughout the year their tag is valid.

**Water Temperature:** Normally 78-84F degrees all year, slightly warmer in the summer and fall and cooler in the winter and spring. A 2-mm shorty to 3-mm full suit is recommended for divers.

An arid island, Bonaire receives on average only 20.5 inches of rain annually, 65% of which occurs October – January. Bonaire operates on Atlantic Standard Time, but not daylight savings (no summer time change).

**Currency:** The Netherlands Antilles Guilder (NAFL) is fixed at the exchange rate of 1.77 to the dollar for cash and 1.78 for traveler's cheques. Most stores and business however exchange it at 1.75. You can spend dollars everywhere, but you will likely receive your cash in guilders. Traveler's checks and credit cards are widely accepted but be sure to have your passport or photo ID available. There is a bank with a 24-hour ATM within walking distance which can dispense guilders or dollars as well as a number of other banks with ATMs located conveniently around the island.

**Tips:** Tipping for good service is customary and welcomed in Bonaire – 15% is standard. Note: Some restaurants add a 10-15% service charge automatically, so if in doubt, ask. Guests at Sand Dollar might consider tipping housekeepers, restaurant servers, boat captains, dive guides, tour guides or anyone else who provides good service. **Please note that Den Laman and Bonaire Dive & Adventure DO NOT include a service charge in their rates!**

**Language:** Papiamentu is the local language, Dutch is the official language; however English and Spanish are widely spoken.
